LEAD RESEARCH SPECIALIST

Internship

Know any of these keywords?

#fintech #blockchain #dataresearch #datadriven

If you do, I certainly want your attention for what's coming next. We are in a need of a young, agile and inquisitive colleague to be a part of our data driven sales team that sits upon a process which is nothing like the stereotyped sales from the 90's.

Start your career with us!

We are looking for a person who is:

- Fluent in English
- Proficient in any of the office apps
 (Microsoft Word/Google Docs/Libre Office)
- Competitive in routine based tasks
- Fun at parties (nice-to-have)

What do we offer?
