

Financial Analyst Intern

CONFIDENTUS is an independent Lithuanian investment banking company with a focus on M&A, capital raising, business valuations and strategic advisory for mid-market corporate clients. CONFIDENTUS is a proud member of M&A WORLDWIDE, leading global mid-market M&A network

What we offer?

You will be a part of a professional team providing M&A, capital raising, business valuations and strategic advisory for mid-market corporate clients. The team is located in Vilnius, but you will have a chance to cooperate with M&A Worldwide experts across the globe:

- Work on interesting projects where you will grow your competences
- Flexible schedule & remote work if you want
- Up to 16 weeks paid internship in Vilnius
- Dynamic and challenging work environment
- A commitment to our personal and professional development

Required skills

- Strong analytical approach
- Good understanding of financial statements
- Attention to detail and the ability to identify data patterns
- High proficiency in spoken and written English and Lithuanian
- Advanced knowledge of Excel and PowerPoint
